

**2011  
East Granby  
Summer Theater  
Agreement**

\*\*\*\*\*

**Fees** - All cast members registered in the East Granby Summer Theater (EGST) production of "Pajama Game" will be charged a \$125.00 fee (\$100.00 for each additional family member, family max: \$325). Parents are required to participate in our fundraising activities **including participation on at least one committee**, selling \$100 in program advertisements, and selling a minimum of ten tickets (per family). This gives you two months to sell your advertisements. All fees are non-refundable and **due on or BEFORE full cast rehearsal on June 30** at East Granby High School auditorium.

**Each cast member must review the rehearsal schedule and list any conflicts today.** Inform us of any conflicts, including conflicts that would cause you to be late for rehearsals. Cast members **may not miss more than three** rehearsals that they are scheduled for. **"Production week" (Tech Week 7/21-7/27), rehearsals, shows, and set break down (8/1) are mandatory for all cast members.** Once a scene is blocked, cast members will miss their opportunity to be included if they are late or absent from rehearsal. No rehearsal can be missed without the director and EGST knowing of the absence, and the conflict schedule will serve to document all but emergency conflicts. East Granby Summer Theater and the Directors reserve the right to remove the cast member from their part for poor behavior or absence. This policy is in effect for the duration of the production even if the removal of a cast member means that someone else must read the removed cast member's lines or songs at our performances.

The script read through will be held at **East Granby High School auditorium on Thursday, May 5 from 6:00-8:00 p.m., all parents are asked to attend a parent meeting at 6:00 pm.** Cast rehearsals will begin on Tuesday, May 17th and will be two evenings per week at the East Granby Congregational Church until school dismisses, schedule to be provided to the leads.

**These evening rehearsals will be focusing on leads and will only require partial cast.**

**\*\*FULL CAST begins weekdays once school is out. First rehearsal on Thursday, June 30.**

***CELL PHONES are to be turned off upon entering rehearsal. The director reserves the right to confiscate any cell phones being used during rehearsal. They will be returned at the end of rehearsal to the parent.***

*I have read, understand, and agree with the obligation and responsibility stated above.*
