

East Granby Summer Theater, Inc.

Ticket order Form 2011

The reserved ticket seating is on a first come, first served basis. This is the center section of the auditorium and is roped before shows. Attached is a ticket order form for "Pajama Game". Each family is responsible for selling 10 tickets. Please include the bottom portion of this form along with your check. If you are unsure when someone will attend, we will have a "general admission" ticket, good for any show. However, the ticket will not be in the "reserved seating section" of the auditorium.

If your family does not need ten tickets, arrange for tickets for your friends and neighbors. A full house is our goal, at every performance. If you wish for tickets to be held at the door, place them in an envelope with a last name on it and give it to the person selling tickets at the door before the performance. Once we receive the tickets from the printer, all paid reservations will be filled.
